

Air Charter Provider Of The Year

Yacht Charter Provider Of The Year

Skyconnect

Yacht Charters India

In a country as vast as India, travelling from place to place can be a stressful experience, thankfully Skyconnect has the answer. With its deluxe range of jets and helicopters, customers will be able to travel across India in a state of absolute comfort and complete privacy, and with total control over the flight schedule, any worries about missing your flight are swiftly disposed of. With a huge fleet, Skyconnect is at your back and call whenever you need to travel quickly, safely and in style without any of the hassle attached with a conventional airport experience.

With over 7,500 kilometres of coastline, travelling by sea around India is a great way to get an alternative view on this great country. Yacht Charters India gives its customers the chance to relax on any of its wide range of premium luxury yachts at its experienced crew guide you effortlessly to your destination. With their ability to cater to various requests, such as on-land excursions, cultural activities and even hosting on-board parties, Yacht Charter India's customers can grab themselves a slice of the millionaire lifestyle while basking in the rays of the Indian summer.
